An entrepreneur who has launched successful software, financial analysis and real estate companies, **Mr. Blount's top priority**, he said, is **fiscal responsibility**. City Council members are "stewards" he said, "of the collective resources" of Laguna Hills residents. That means, he said, **"Every dollar that is collected should be spent in the very best interests of the city's residents."**

After fiscal responsibility, said Mr. Blount, he wants to improve **Laguna Hills' business climate, reform managerial compensation, address the city's water rates and enhance public safety.**
